

Notice: Patient Privacy

We are committed to preserving the privacy of your personal health information. In fact, we are required by law to protect the privacy of your health information and to provide you with this notice describing:

HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN ACCESS THIS INFORMATION.

- We are required by law to have your written consent before we use or disclose to others your medical information for purposes other than providing or arranging for you health care, the payment for or reimbursement of the care we provide to you and the related administrative activities supporting your treatment.
- We may be required by certain law to disclose or use your medical information for other purposes without your consent or authorization, in accordance with HIPAA regulations.
- As our patient you have important rights relating to inspecting and copying your medical information we maintain, including amending or correcting that information, obtaining an accounting of our disclosures of your medical information, requesting that we restrict certain uses of your health information, and complaining if you think your rights have been violated.
- We have available a detailed NOTICE OF PRIVACY PROCEDURES which fully explains your rights and our obligations under the law. We may revise our NOTICE from time to time. You have the right to request the most recent version of our Privacy Notice.

If you have any questions, concerns or complaints about the NOTICE or the usage of your medical information please contact the main office at (503) 620-5614 and ask for the office manager. Thank you.
